International Rural Research Assistant:
Brandon University

GETTING TO KNOW RICHARD ADU

Richard Adu was born in Ghana and grew up in the city of Kumasi. His academic journey started at the Kwame Nkrumah University of Science and Technology (KNUST) in Ghana. There he received his Bachelor's degree in Agricultural Economics, and Master's degree in Science in Industrial Finance and Investment. Currently, Richard is enrolled in the Master of Arts in Rural Development (MARD) program at Brandon University, and works as a Research Intern at the Rural Development Institute (RDI). Additionally, Richard is the Graduate Studies Director for the Brandon University Student Union (BUSU). Richard is keen in continuing his work and experience on the global scale, and a significant advocate for rural and remote community research.

RICHARD'S ROLE IN THE BCDI: 2030 PROJECT

As the International Rural Research Assistant, Richard is utilizing his work and life experience to assist the BCDI: 2030 Scholarship Recipients as they transition to Brandon University for their graduate studies. This includes welcoming the students to Brandon, Manitoba, introducing them to the Ghanaian community in Brandon, and sharing his insights in conducting academic work in Canada. Richard has been a vital team member in ensuring that the BCDI: 2030 Scholarship Recipients are prepared to embark on this educational journey.
